PLEASE CHECK ONE BOX BELOW to indicate the type of home you have:

New Construction

Existing Home (Year home was built: _____)

Specify: Stick-built or Modular

Mobile or Manufactured Home* (Year home was built: _____)

**A Mobile or Manufactured Home is defined as factory assembled, transportable, intended for year round occupancy, designed for transportation on its own chassis, can be placed on a temporary or permanent foundation. Modular homes do not meet these requirements. Modular homes qualify for the regular single family incentive plans.*

HVAC Unit Specs:

Brand: _____

Purchased from: _____

AHRI SEER Rating: _____

BTUs: _____

Size (tons): _____

HSPF: _____

AFUE: _____

Installed by: _____

Date Installed: _____

Southern Indiana Power reserves the right to approve, deny or select the appropriate rebate. The co-op also reserves the right to inspect and verify installation of equipment receiving a rebate.

Please read the following additional rebate conditions. Sign and date below to indicate you understand these conditions:

- 1) Limit of two rebates (per type) per household.
- 2) To receive a rebate, all homeowners must provide AHRI (Air conditioning, Heating and Refrigeration Institute) validations for all SEER ratings that can be obtained from the installing heating and cooling dealer. No rebate will be awarded based on HVAC dealer bid specifications, promotional material of dealer, manufacturer or any other source than AHRI. A certificate of ARI-certified performance must be submitted.
- 3) ALL homeowners must complete a rebate request form and provide proof of purchase to receive any 2018 rebate. Deadline to for 2018 Rebate Program is Dec. 15, 2018.
- 4) To qualify, the home in which the equipment is installed must be occupied year round. ALL homeowners and future homeowners receiving rebates from SIP agree to future installation of an energy management switch on these rebated appliances to allow future peak demand energy management procedures.
